organic farming and agroecology.

USER'S GUIDELINE TO DOWNLOAD VIDEOS

Step Three : Search for videos you are interested in according to Language/ Topic / Category

The screenshot shows the Access Agriculture website's search page. At the top, a dark navigation bar contains language options (বাংলা, English, Español, Français, हिन्दी, Português) and links for 'My Account | Log Out'. Below this is a green header with the 'AccessAgriculture' logo and a navigation menu (Home, Videos, About Us, How To, Resources, Latest, Impact, Donate). The main content area has a green background with the text 'videos in your own language!' and instructions to 'Select a language or category or type a word in the search area and then click on Search'. There are three callout boxes: one pointing to the language dropdown ('By language') with the text 'You can search for videos according to a language you want'; one pointing to the category dropdown ('All categories') with the text 'You can select videos according to your category'; and one pointing to the search input field ('Type here') with the text 'You can search for videos according to a topic you want'. The footer displays statistics: 90,000,000 viewers, 240 entrepreneurs in 17 countries, 3,926 agroecology videos, and 102 languages available.

Step Four: Searching for videos according to a language

The screenshot shows the Access Agriculture website interface. At the top, a dark navigation bar contains language links (বাংলা, English, Español, Français, हिन्दी, Português) and a 'My Account | Log Out' link. Below this is a white navigation bar with the Access Agriculture logo and a menu of links: Home, Videos, About Us, How To..., Resources, Latest, Impact, and a green 'Donate' button. The main content area has a green background with the heading 'Watch videos in your own language!'. It includes a search bar with a dropdown menu for languages (English is selected and highlighted with a red box), a category dropdown (All categories), and a blue 'SEARCH' button (highlighted with a yellow callout). Below the search bar, statistics show '90,000,000 viewers', '3,926 agroecology videos', and '102 languages available'. The footer contains the text 'Well Access Agriculture' and a description: 'Access Agriculture is a non-profit organisation that supports organic farming and agroecology.'.

USER'S GUIDELINE TO DOWNLOAD VIDEOS

Step Seven: Selecting the download option

The screenshot displays the Access Agriculture website interface. On the left is a navigation menu with categories: Cereals (Maize, Other cereals, Rice, Sorghum & Millet, Wheats), Equipment, Fruits & Nuts, Legumes, Livestock, Other, Other Crops, Plant Health, Roots, Tubers & Bananas, Sustainable Land Management, and Vegetables. The main content area features a video player showing a traditional mud granary. Below the video player, there are three dropdown menus: 'Download' (with options: Video, Audio, Mobile, Factsheet), 'Reference book' (with option: Conservation of maize stovers by infonet biovision), and 'Available Languages' (with options: English, Arabic, Bangla, French, Hindi). A yellow callout box points to the 'Download' menu with the text: 'You can download' followed by a list: 'Video that can be viewed on computers', 'Audio that can be played on mobile/ computers', 'Mobile (3gp file) that can be viewed on mobile', and 'A factsheet that can be viewed on computers/ mobile'. Another yellow callout box points to the 'Reference book' menu with the text: 'Check Reference Book here'. A third yellow callout box points to the 'Available Languages' menu with the text: 'Check out this video in other languages'. The video player has a 'Quality' dropdown and a 'Next video' button. The video title is 'Improved mud granary, y...' and the duration is 12:49. The categories are 'Maize' and 'Post-harves'. The producer is 'Songhai and Helvetas'.
